CIVIL ACTION NO. 02:09-01845-HFF-RSC

ORDER

This case was filed as a social security disability benefits action. Plaintiff is represented by counsel. The matter is before the Court for review of the Report and Recommendation (Report) of the United States Magistrate Judge suggesting that the Court reverse Defendant's decision and remand the case to Defendant for full consideration of Plaintiff's severe impairments. The Report was made in accordance with 28 U.S.C. § 636 and Local Civil Rule 73.02 for the District of South Carolina.

The Magistrate Judge makes only a recommendation to this Court. The recommendation has no presumptive weight. The responsibility to make a final determination remains with the Court. *Mathews v. Weber*, 423 U.S. 261, 270 (1976). The Court is charged with making a de novo determination of those portions of the Report to which specific objection is made, and the Court may accept, reject, or modify, in whole or in part, the recommendation of the Magistrate Judge or recommit the matter with instructions. 28 U.S.C. § 636(b)(1).

The Magistrate Judge filed the Report on September 7, 2010, but Defendant failed to file any objections to the Report. In fact, Defendant filed a notice that it would not object to the Magistrate Judge's Report. In the absence of such objections, the Court is not required to give any explanation for adopting the recommendation. *Camby v. Davis*, 718 F.2d 198, 199 (4th Cir. 1983). Moreover, a failure to object waives appellate review. *Wright v. Collins*, 766 F.2d 841, 845-46 (4th Cir. 1985).

After a thorough review of the Report and the record in this case pursuant to the standard set forth above, the Court adopts the Report and incorporates it herein. Therefore, it is the judgment of the Court that Defendant's decision be **REVERSED** and the case **REMANDED** to Defendant for full consideration of Plaintiff's severe impairments.

IT IS SO ORDERED.

Signed this 29th day of September, 2010, in Spartanburg, South Carolina.

s/ Henry F. Floyd
